

Life's Abundance Presents:

Fourth of July Safety Checklist

One Week Before:

- Visit vet for anxiety meds, if needed
- Make sure tags and microchips are updated
- Order any needed music or calming products

One Day Before:

- Check that fences and gates are secure
- Ensure collar and tags are not loose

Day Of:

- Watch for wayward food items
- Ensure plenty of shade and water
- Provide appropriate treats

Evening Of:

- Don't bring pet to fireworks displays!
- Play calming music if pet is home alone
- Double check doors are shut tight before leaving
